MILLIS MIDDLE SCHOOL
245 Plain Street, Millis, MA 02054

September 3, 2019

Dear Middle School Parents,

At times during the year, local newspapers or publications may write stories about student events. This may include photographing assemblies, classroom activities, and students and/or interviewing children. Student photos and work may be posted on our website or the school/district social media accounts such as Twitter/Facebook/Instagram (student names are not included). The TV Production Studio also posts videos created by students to highlight what is happening in our school and classrooms.

We understand that some parents may not wish their child to be included in photographs and videos, and that some children may not be comfortable with this as well.

If you **do not want** your child's photo to appear in any print publication, video, or on any social media site please print and sign this form or send a note or email to the Middle School Office as soon as possible. If you would like a paper copy, please contact the office.

If you have no concern about having your child photographed or videotaped for school purposes, then no signature or action is necessary.

Thank you,

Maureen Knowlton
Principal
