

Good afternoon,

I hope this finds you and your family happy and healthy! Thank you for participating in the first week of daily food pick-ups. We hope your children enjoyed our offerings.

As many of you have spoken with Shawn about, we have decided to alter the food pick-up schedule moving forward. This schedule change will allow you to pick-up multiple days' worth of breakfasts and lunches on Monday, Wednesday, and Friday each week. This schedule will allow you to pick-up the same amount of food while reducing the time that you have to spend outside of your homes.

Also, please complete this Google Form [Millis Public Schools Home Delivery Food Service Survey \(https://tinyurl.com/yx26qm5w\)](https://tinyurl.com/yx26qm5w) if you are unable to pick up food at school.

Thank you for working with us while we fine-tune our schedule.

Have a nice weekend!

### **School Shut Down Meals!**

Millis School Food Services and Chartwells K-12 are dedicated to ensuring all students receive breakfast and lunch during the Covid 19 Shut down.

In order to ensure that students' nutritional needs continue to be satisfied during this closure, we are offering families the opportunity to have continued access to school meals. A "grab and go" breakfast and lunch will be available for pick-up, Monday, Wednesday and Friday outside of the Millis Middle/High School main entrance from 7:30-10:00 a.m. Each participant will receive meals for TWO days. These meals will include an entree, side of fruit and/or vegetable, and milk. Parents and guardians will be able to pull-up to the Millis Middle/High School front entrance and pick up their meals without having to leave their vehicle.
